

# Your Voice [D]

[Default Arrangement] by Pierce Williams, Medi Kikoni, Alaina Fort, James Gutierrez

## Verse

You are my war cry  
In the shadows, in the grave  
In the face of  
Every lie, every weight

You lift me up  
Now I'm dancing on those chains  
Raised to life in you  
By your mercy and your grace

## Chorus

Your voice is the only one that matters  
Is the only one that shatters  
The chaos and unknown  
Your voice is the only one I hear  
Is the one that drives out fear  
When your love's made known

## Bridge

Good King, good Father, good God  
Good King, good Father, good God

## Tag

There's no condemner  
There's no contender  
You are our King, God  
And we surrender
