[Default Arrangement] by Medi Kikoni, James Gutierrez, Nathan Cole & Nick Huber

## Verse

**B**  
Finally here  
**G#m**  
Behind closed doors  
**F#/A#** **B**  
Away from all the noise  
**G#m** **F#**  
I find you here again  
**E** **C#m7** **E/F#**  
It's no secret You've been waiting here for me

**B**  
And so I breathe  
**G#m**  
I don't need words  
**F#/A#** **B**  
You hear me perfectly  
**G#m7** **F#**  
Right here at Your feet  
**E** **B/D#** **C#m7**  
All of the heavens and the earth wait eagerly  
**F#** **B**  
For Your word to release

## Chorus

**E**  
Here in the silence  
**G#m7** **F#**  
Where all the work and striving cease  
**E** **G#m7** **F#**  
Where all the burdens of this world fade away from me  
**E** **G#m7**  
I can finally cast away everything  
**C#m7** **B/D#**  
Just to be close to You  
**E** **F#sus**  
Because You care for me  
**B** ( Leading into the bridge: **E** )  
You care for me

## Bridge

**E** **B/D#**  
My life, here in Your hands  
**C#m7** **B/D#**  
My heart, here in Your hands  
**E** **B/D#**  
My hope, here in Your hands  
**F#/A#**  
I lay it down  
**A/B**  
I give it all away
